Out of stock

\$141.70 USD

SKU: 850-133

LegendFlex™ highly flexible PEX heating tube with oxygen barrier is manufactured from a proprietary polymer formulation which dramatically increases flexibility and maintains high strength. Available in 3/8in, 1/2in, 5/8in, 3/4in and 1in tube sizes, LegendFlex™ delivers greater performance and flexibility than standard PEX and is backed with an industry leading 30-year warranty.
