

Taco 0015 3 Speed Stainless Steel Circulator, 1/20 HP

Out of stock

\$412.06 USD

SKU: 0015-MSSF3-IFC

The Taco 0015 delivers the highest starting torque in its class and is a direct replacement for the Grundfos UPS15-35FC and 15-55FC. The 0015 3-Speed pump is specifically designed for the wide range of flow and head requirements. The Stainless Steel 0015 should be used on open, fresh water systems.
