

VesiArm Hydronic Expansion Tank Bracket 1/2" NPT

\$53.55 USD

SKU: 12VARM

The VesiArm hydronic expansion tank bracket comes with three 1/2" NPT ports, two on the bottom one on top, built in automatic air vent and 0 - 60 PSI pressure gauge. Designed for closed loop systems. The 1/2" NPT provisions allow for serviceability and flexibility during expansion tank installation.
