

1/2" Red VesiFlow PEX-c Tubing (500 ft Coil)

Out of stock

\$145.53 USD

SKU: C5-500R

VesiFlow PEX-c is the most versatile PEX tubing available. It works with virtually every connection type including F1960 and F2080. The irradiation method of cross-linking creates no chemical byproducts and provides superior odor and taste properties through increased material stability. VesiFlow PEX-c is the most environmentally friendly PEX on the market. It carries a 25 Year system warranty.
