

Taco 417-3 1/8" Male NPT Coin Vent

\$14.45 USD

SKU: 417-3

Taco 417-3 1/8" Male NPT Coin Vent can be installed on water or steam radiators. The Taco automatic coin vent is the ideal air purging device. The coin vent features special hygroscopic cellulose discs in the valve body. When dry, the discs allow air to be released from the system.
