

Fluidmaster 501 2" Universal Solid Frame Flapper

\$4.57 USD

SKU: 501

Fluidmaster 501 2" Universal Solid Frame Flapper is best for older toilets, 3.5 GPF or more (before 1994). The Fluidmaster® 501 Universal Chlorine-Resistant Toilet Flapper is designed to be a longer lasting and high quality flapper replacement, to fit most 2" flush valves.
