

1/2" Stainless Steel PEX Clamp, (100/bag)

\$23.83 USD

SKU: 39124

1/2" Stainless Steel PEX Clamps are made to the ASTM F2098 standard and are for use with PEX tubing and barbed Crimp fittings (F1807, F2159). The clamp is compressed on the PEX tubing holding the PEX barbed fitting in place. It makes a permanent 360° water tight seal.
