

M12 Milwaukee ProPEX (F1960) Expansion Tool Kit with 2 XC Batteries

Out of stock

\$637.56 USD

SKU: 2432-22XC

The M12™ F1960 Expansion Tool features an auto-rotating head for convenient one-handed operation. A compact, right angle design makes installing tubing in confined spaces fast and easy, while the quick cam mechanism delivers precise, continuous expansion for 3/8" – 1" F1960 connections.
