

F1960 Manual Auto Rotating Expansion Tool with 1/2", 3/4" & 1" Heads

\$280.52 USD

SKU: 2532123

The Manual Auto Rotating F1960 expansion tool comes with 1/2", 3/4" and 1" heads. It also comes with the auto spin feature. Also included an Expansion ring removal tool and tubing cutter. Handy angled design allows the tool to be fit into tight spaces.
